## Blueberry Vodka

This hand-crafted spirit starts with 190 proof neutral spirit, carbon-filtered for exceptional smoothness, then blended with ripe blueberries and cut with crisp, naturally filtered water from our Kansas glacial-drift aquifer. Distilled locally for a clean, fruit-forward taste that stands out on the shelf. Premium quality, crafted for customers who appreciate true spirit craftsmanship.

**Shelf Ready:** 750ml bottles, perfect neat, on the rocks, or in refreshing cocktails.
