

99% American Corn Bourbon commemorating the 250th Semiquincentennial Anniversary of the signing of the Declaration of Independence on July 4, 1776.

“We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.”

“We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness.”

That Declaration and that pledge began the most significant political event in world history, The American Revolution.

God bless the United States of America and protect our Constitutional Federal Republic.
